

“Stonehurst Contractor Database” Form

The “Stonehurst Contractor Database” is a community resource intended to help SHA residents find local contractors and service providers who are recommended by SHA residents. The directory is created by SHA residents for SHA residents, and is for Stonehurst Neighborhood use only.

If you have a contractor or service provider that you are particularly happy with, and would like to include their information in the database so that others may benefit from their services, please submit the following information:

Name of contractor/service provider: _____

Address: _____

Phone number and/or email address: _____

Description of service: _____

Your name and phone number to serve as a reference (required): _____

Please submit forms to:
