Trash & Recycling Rules (Feb 2024)

Trash Rules

Collection Days: & Times

Tuesdays. DO NOT INCLUDE RECYCLABLE ITEMS.

Trash must be outside your back gate by **6:00 a.m.**

Please place outside **no earlier than 6:00 p.m.** the night before.

However, **only homes between 9243 and 9281 Bailey Lane** will continue to use the collection point since there is currently no sidewalk running behind these properties. For those residents, the pick-up point is across from 9263 Bailey Lane. There is a green sign to indicate the collection point including days and times to place trash/recycling there.

Types of Bags:

Black, green, or white trash bags should be used. Bags must be securely tied. The use of trash cans with lids is encouraged to discourage wildlife from making a mess. **Trash cans must be brought into the enclosed patio area after the trash is collected.** Each individual can or bag must weigh less than 50 pounds and be less than 30 gallons in capacity. Additionally, each unbagged item must be less than 36" x 30" x 30", or it is a bulk item (see below). We must separate our recyclables for Wednesday pickup (below).

Bulk Items Picked:

Collection of bulk items is an arranged pick up for a prepaid extra fee and cannot be discarded with household trash. This includes trash weighing over 50 pounds and/or larger than 36" x 30" x 30", more than 30 gallons capacity. Bulk pick-ups go through HaulShare and can either be arranged at www.haulshare.co or call 703-239-8540. HaulShare will give instructions on where to place your bulk items for pick up.

Yard Debris:

Yard debris will be picked up with your everyday trash on Tuesdays. You may use clear plastic bags or paper lawn and leaf bags for your clippings and leaves. Individual pieces of brush or clippings must be bundled together with twine and cut to the dimensions of 3 x 4 feet: two (2) bags of clippings maximum. Champion will **not accept** rocks, bricks, garden pots or sod.
